AZTEC

FIGHT SONG

They always call us Azusa Aztecs
We always have a fighting team.
We can run and kick and throw.
Give us the ball and just look at us go.
It's the hooray for Azusa Aztecs
We're out to beat you tonight.
So give a great big cheer
For the Aztecs of the year.
Azusa Aztecs, watch us Fight!

ALMA MATER

Marching proudly ever forward
To victory and to fame
Azusa High our Alma Mater
Glorious is thy name.
Through the years our hearts will cherish
Times we spent with you
Memories will never perish

REACH OUT AND TOUCH SOMEONE

Reach out and touch someone by simply saying "hi" or "good morning" to each and every passing student. Smiling or just saying hi' will only take a matter of seconds, and will make your day a little brighter and the other person too! Azusa High School should be a place where the surroundings are friendly and warm, filled with smiles and happiness.

Freshmen can reach out and touch someone by saying "hi" and being friendly to the other underclassmen and to the seniors. Also being helpful to the teachers and lending a helping hand whenever and where ever they are needed. Freshmen also can help out the newer freshmens that come.

Sophomores can reach out and touch someone by helping out the Freshmen when they are new at Azusa High. Help them out by finding a class for them, meeting teachers, and introducing them around to other students and make them feel welcome.

Juniors can reach out and touch someone by offering help to unsure Freshmens that are new here, and that seem to be lost or looking around helplessly. They can also be helpful by lending a hand for others.

Azusa High will be a much better school if the students that attend it can and will try to start reaching out by learning to accept peoples faults and not to gossip and to talk about everyone who passes you. Just say "hi" and reach out and touch someone today!!

Well, we made it...and we can't believe it! Remember tryouts? (How embarrassing) Well that was only the beginning. From workshop to finals, summer practices, car washes, fundraisers! Uniform fittings and forking out the $$$!

August rolls around and "CHECK OUT THOSE FOOTBALL PLAYERS! OOH YA!" Those unforgetable football games, "GLADSTONE EAT YOUR HEART OUT!" Competitions and performances. (Ooh we were hot!) Last minute trips to the mall... What, your stool broke?! You can't find your bloomers?! (Oh my God!)
